NETFLIX OSS

Our Team

Want to work on this technology?

If you are looking to have a large impact at a growing company and work with a high performance team - start here. Work with talented colleagues on hard problems that affect millions of customers.

At Netflix we value high performance, freedom and responsibility. We don't focus on rules, processes or procedures. We are candid and transparent and seek excellence in everything that we do.

We tackle problems others have not been able to solve. We license great content, build systems at scale and use data to push the business forward. We connect people with movies and television globally.
